

GRAVITY CREPUSCULE

Métaphores - 71295/002

This false plain features a heathered yarn that swells unevenly in the final stage of processing, giving the fabric a textured feel and a crinkly horse's-mane effect that is right on trend. This 32,000 martindale viscose cotton and wool upholstery fabric comes in a range of 15 colors. With its understated chic and timeless appeal, it is a classic that can be used for a wide variety of projects.
